PLEASE PROVIDE A SCREEN BEHIND DRUM + VIDEO BEAMER

the drummer is left handed and will only use his own drum set

please provide a screen behind the drum (min. 2 m x 3 m)
+ a powerful video beamer (min. 3500 lumen)
previously installed at correct distance and
connected to stage or mix desk with an s-video cable

no lights from front, no flashy light show
we prefer dark monocolour stage lightning
all lights from back of stage

the drummer is left handed
and will only play on his own drum set

please provide 2 flight cases to put amps on

/ hospitality rider 2008 /

...we accept many other solutions if we are welcomed with a smile...

- / tour party / 4 to 6 people (to be confirmed)
- / accommodation / 2 to 3 twin rooms (to be confirmed) including late morning breakfast
- / catering / bread, ham, cheese and butter (enough for afternoon + night sandwiches).
fresh and dry fruit, chocolate and candies.
tea & coffee, fruit juice, colas, beer.
champagne & cigarettes would be paradise...
- / meal / please no junk food, pizzas and burgers, we prefer any light hot cooked meal with vegetables. if it is not possible to eat 2 hours before the show, we prefer to eat after the show. local food specialities and red wine appreciated...
- / parking / thanks for providing/indicating secure and nearby parking for 1 high bus next to venue and hotel.
- / guest list / up to 6 guests to be announced the day of the show.
- / sound check / we need from 45 to 90 minutes for a sound-check and around 20 minutes for a line-check (depending on venue), thanks for providing help for in load and especially out load of our material.
- / promo / thanks for working on local promo and collecting for us all flyer, press & promo you can... we will send you promo material if asked in advance....

any hospitality or promo question? please contact our management:
